

néro

recliner

the benchmark
for luxury seating

features:

Fine European leather collection: 4 leather grades ranging 70 colors. **Extensive fabric collection**, including like suede, velours, ...
Customer supplied leather or fabric option available.

Steel recline mechanism featuring our **single/dual motorized or manual pneumatic relax function**. The systems allows for the backrest and footrest to operate independently from one another.

A black or silver/grey **push-button control** module is seamlessly integrated into the armrest for operation of relax mechanism. Featuring a reset button for easier exit.

Fully articulating headrest allows for desired viewing condition and proper head and neck support.

Hand-cut foam cushioning: high-density foam promises years of comfort and performance.

Custom made to order allows for vast range of personalization to fit individual home theater design and user requirements.

Also available in manual or fixed version.
